

...and it Startled the Cat

It started as a quiet day and hey I'm not complaining
But funny how a little noise can make things entertaining

My mom farted and it startled the cat.
It really was amusing but it wasn't only that.

(my mom farted (PU) it startled the cat)

My mom farted * it startled the cat *
who somersaulted * like a kitty acrobat
and landed on our puppy * sleeping by the door
Hilarious I know but just you wait a sec, there's more!

(my mom farted (PU) it startled the cat
she let one rip 2-3-4)

My mom farted * it startled the cat *
who somersaulted * like a kitty acrobat
and landed on our puppy * sleeping by the door
who woke up with a yelp * and dashed across the floor
and crashed right into Dad eating breakfast in his chair *
that was kinda crazy but it did not end there!

(my mom farted (PU) it startled the cat
she cut the cheese 2-3-4)

My mom farted * it startled the cat *
who somersaulted * like a kitty acrobat
and landed on our puppy * sleeping by the door
who woke up with a yelp * and dashed across the floor
and crashed right into Dad eating breakfast in his chair *
and Daddy's runny eggs went a'flying through the air!
They landed with a SHLOP on my little sister's head *
(___I can't repeat ___ the naughty word she said)

(my mom farted (PU) it startled the cat
she blew the backdoor bugle)

My mom farted * it startled the cat *
who somersaulted * like a kitty acrobat
and landed on our puppy * sleeping by the door
who woke up with a yelp * and dashed across the floor
and crashed right into Dad eating breakfast in his chair *
and Daddy's runny eggs went a'flying through the air!
They landed with a SHLOP on my little sister's head *
she tried to throw it back...but hit the baby's chair instead! *

(my mom farted (PU) it startled the cat
she blew a trouser trumpet)

They landed with a SHLOP on my little sister's head *
she tried to throw it back...but hit the baby's chair instead! *
the baby laughed and started throwing porridge round the room
The barking, the yelling, the kitchen was a zoo!

(my mom farted (PU) it startled the cat
it was not so silent but deadly)

the baby laughed and started throwing porridge round the room
The barking, the yelling, the kitchen was a zoo!
“Golly”, muttered Mom and as she looked around the place
a big blob of porridge landed SPLAT right on her face!

It caught her by surprise , it sure gave her a start
She squeaked a little squeak.. then let go another fart!
